After Brexit, no more year in Provence — it's 90 days max From January 1, visits to the EU will be limited to 90 days in any six months, which threatens to hit second-home owners hard Peter ...

National Bestseller In this witty and warm-hearted account, Peter Mayle tells what it is like to realize a long-cherished dream and actually move into a 200-year-old stone farmhouse in the remote country of the Lubéron with his wife and two large dogs. He endures January's frosty mistral as it comes howling down the Rhône Valley, discovers the secrets of goat racing through the middle of town, and delights in the glorious regional cuisine. A Year in Provence transports us into all the earthy pleasures of Provençal life and lets us live vicariously at a tempo governed by seasons, not by days.

From the moment Peter Mayle and his wife, Jennie, uprooted their lives in England and crossed the Channel permanently, they never looked back. Here the beloved author of A Year in Provence pays tribute to the most endearing and enduring aspects of his life in France—the charming and indelible parade of village life, the sheer beauty, the ancient history. He celebrates the café and lists some of his favorites; identifies his favorite villages, restaurants, and open-air markets; and recounts his most memorable meals. A celebration of twenty-five years of Provençal living—of lessons learned and changes observed—with his final book Mayle has crafted a lasting love letter to his adopted home, marked by his signature warmth, wit, and humor.

NATIONAL BESTSELLER Taking up where his beloved A Year in Provence leaves off, Peter Mayle offers us another funny, beautifully (and deliciously) evocative book about life in Provence. With tales only one who lives there could know—of finding gold coins while digging in the garden, of indulging in sumptuous feasts at truck stops—and with characters introduced with great affection and wit—the gendarme fallen from grace, the summer visitors ever trying the patience of even the most genial Provençaux, the straightforward dog "Boy"—Toujours Provence is a heart-warming portrait of a place where, if you can't quite "get away from it all," you can surely have a very good time trying.

In his most delightful foray into the wonders of Provençal life, Peter Mayle returns to France and puts behind him cholesterol worries, shopping by phone, California wines, and other concerns that plagued him after too much time away. In Encore Provence, Mayle gives us a glimpse into the secrets of the truffle trade, a parfumerie lesson on the delicacies of scent, an exploration of the genetic effects of 2,000 years of foie gras, and a small-town murder mystery that reads like the best fiction. Here, too, are Mayle's latest tips on where to find the best honey, cheese, or chambre d'hite the region has to offer. Lyric, insightful, sparkling with detail, Encore Provence brings us a land where the smell of thyme in the fields or the glory of a leisurely lunch is no less than inspiring.

Having lost his biggest client to an unscrupulous boss, Max Skinner journeys to Provence to inspect a vineyard he has inherited and finds additional challenges in the vineyard's inferior wine and a California woman's claim on the estate. By the author of Anything Considered. Reprint. 125,000 first printing.

The ultimate "dictionary" for lovers of Provence: Peter Mayle's personal selection of the foods, customs and words he finds most fascinating, curious, delicious, or just plain fun. Though organized from A to Z, this is hardly a conventional work of reference. In more than 170 entries, Peter Mayle—bestselling author of A Year in Provence—writes about subjects as wide-ranging as architecture and zingue-zingue-zoun (in the local patois, a word meant to describe the sound of a violin). And, of course, he writes about food and drink: vin rosé, truffles, olives, melons, bouillabaisse, the cheese that killed a Roman emperor, even a cure for indigestion. Provence A-Z is a delight for Peter Mayle's ever-growing audience and the perfect complement to any guidebook on Provence, or, for that matter, France.

When the exclusive wine collection of a rich Hollywood lawyer is stolen by a cultivated thief, former lawyer and connoisseur Sam Levitt follows leads from Bordeaux to Provence while receiving assistance from a beautiful French colleague. By the award-winning author of A Year in Provence.

A beguiling novel of romance, adventure, and tongue-in-cheek suspense set in the South of France, from the beloved, best-selling author of A Year in Provence. Simon Shaw, a rumpled, fortyish English advertising executive, has decided to leave it all behind, and heads of to France to transform an abandoned police station in the Lubéron into a small but world-class hotel. On his side, Simon has a loyal majordomo and a French business partner who is as practical as she is ravishing. But he hasn't counted on the malignant local journalist—or on the mauvaise types who have chosen the neighboring village as the site of their latest bank robbery. Slyly funny and overflowing with sensuous descriptions of the good life, Hotel Pastis is the literacy equivalent of a four-star restaurant.

Bennett is an English expatriate living in France with a champagne taste and a beer bankroll. Happy-go-lucky and a bit roguish, he places an ad in the International Herald Tribune offering his services -- any services. He pursues a response from a wealthy Englishman named Julian Poe who has developed a means of producing truffles and is close to cornering the immensely lucrative truffle market. Bennett signs on and finds himself in Monaco, where he is able to live in a style to which he has always wished to become accustomed (including eating to his heart's content -- a Mayle trademark!). Soon the Sicilian and Corsican Mafiosi intrude and Bennett is joined by the beautiful and experienced (in all ways) Anna. Ham-fisted goons, gendarmes working at cross purposes, French village busybodies, and an order of monks dedicated to the god Bacchus all play a role in the surprising, and more than a little satisfying, denouement.

Lovable rogue and sleuth extraordinaire Sam Levitt is back in another beguiling, as-only-Peter-Mayle-can-write-it romp through the South of France. At the end of The Vintage Caper, Sam had just carried off a staggering feat of derring-do in the heart of Bordeaux, infiltrating the ranks of the French elite to rescue a stolen, priceless wine collection. With the questionable legality of the adventure—and the threat of some very powerful enemies!—Sam thought it'd be a while before he returned to France, especially with the charms of the beautiful Elena Morales to keep him in Los Angeles. But when the immensely wealthy Francis Reboul—the victim of Sam's last heist but someone who knows talent when he sees it—asks our hero to take a job in Marseille, it's impossible for Sam and Elena to resist the possibility of further excitement . . . to say nothing of the pleasures of the region. Soon the two are enjoying the coastal sunshine and the delectable food and wine for which Marseille is known. Yet as a competition over Marseille's valuable waterfront grows more hotly disputed, Sam, representing Reboul, finds himself in the middle of an increasingly intrigue-ridden and dangerous real-estate grab, with thuggish gangsters on one side and sharklike developers on the other. Will Sam survive this caper unscathed? Will he live to enjoy another bowl of bouillabaisse? All will be revealed—with luck, savvy, and a lot of help from Sam's friends—in the novel's wonderfully satisfying climax.
