customized to exhibit the subjects' personality and attitude. Szinger's attention to detail is the hallmark of his work. He's been folding paper for most of his life, starting with paper airplanes at a young age. He devoured origami books at his local library and soon began experimenting with his own designs. Ten years ago, Szinger came back to origami after a long hiatus and began attending conventions, where he met other dedicated folders and was inspired to create his own original models. From these encounters, he began folding origami pieces for personal enjoyment, and to share with
