a trouble section for even the best test-takers. Examinees get test-targeted reading comprehension practice questions to score better with LearningExpress' series, Skill Builder in Focus. This specialized drill book provides the focused practice necessary for test-taking success. Plus, all answers are explained, using terms that clarify context, main ideas, themes, and critical thinking skills for effective studying and positive reinforcement. Almost every standardized test in verbal skills, including civil service exams, contains reading comprehension questions. Each practice consists of several passages followed by questions and answer explanations.

Unlike most resources, this handy, portable study aid is not prepared exclusively for the Miller Analogy Test. Though it can certainly be used for it, this book prepares test takers for any standardized test containing word analogies, such as: SAT, GRE, GMAT, or LSAT. Often cited as a difficult section for even the best students, discover the best resource for word analogies practice, and no extras. Test-takers work with these questions and find out how to score better through practice. All answers are explained, reinforcing strategies and identifying tricks to figuring out the questions.

Uses vocabulary words in context to test verbal aptitude and prepare students for PSAT, SAT, and GRE, professional and civil service qualifying exams. Focuses on the sentence completion question by offering practice in finding words in context. Each question contains a sentence with a fill-in-the-blank space. Correct answers are fully explained using their definitions, to reinforce skills. Topics include sentence structure mechanics (subject-verb agreement, modifiers -- adjectives, adverbs, etc., paragraph structural development, and essay questions formatting.

Inside Out and Back Again meets Millicent Min, Girl Genius in this timely, hopeful middle-grade novel with a contemporary Chinese twist. Winner of the Asian / Pacific American Award for Children's Literature!* "Many readers will recognize themselves or their neighbors in these pages." -- Kirkus Reviews, starred review Mia Tang has a lot of secrets. Number 1: She lives in a motel, not a big house. Every day, while her immigrant parents clean the rooms, ten-year-old Mia manages the front desk of the Calivista Motel and tends to its guests. Number 2: Her parents hide immigrants. And if the mean motel owner, Mr. Yao, finds out they've been letting them stay in the empty rooms for free, the Tangs will be doomed. Number 3: She wants to be a writer. But how can she when her mom thinks she should stick to math because English is not her first language? It will take all of Mia's courage, kindness, and hard work to get through this year. Will she be able to hold on to her job, help the immigrants and guests, escape Mr. Yao, and go for her dreams? Front Desk joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content!

Contains practice questions for each section of the GRE: verbal, math, and essay.

This fascinating picture book biography tells the childhood story of Buffalo Bird Woman—a Hidatsa Indian born around 1839. Through her true story, readers learn what it was like to be part of this Native American community, which lived along the Missouri River in the Dakotas, a society that depended on agriculture for food and survival rather than hunting. Using original artwork and archival photographs, award-winning author/illustrator S. D. Nelson has captured the spirit of Buffalo Bird Girl and her lost way of life. The book includes a bibliography and an index, as well as an author's note and timeline of events. Awards and praise for Buffalo Bird Girl Gelett Burgess Award CCBC Choices Book, Biography ? “ An extraordinary delight for a reader of any age. ” —The New York Times Book Review
Brian Floca explores Apollo 11 ’ s famed moon landing with this newly expanded edition of Moonshot! Simply told, grandly shown, and now with eight additional pages of brand-new art and more in-depth information about the historic moon landing, here is the flight of Apollo 11. Here for a new generation of readers and explorers are the steady astronauts clicking themselves into gloves and helmets, strapping themselves into sideways seats. Here are their great machines in all their detail and monumentality, the ROAR of rockets, and the silence of the Moon. Here is a story of adventure and discovery—a story of leaving and returning during the summer of 1969, and a story of home, seen whole, from far away.

Many of us grimace when faced with grammar exercises. But in order to communicate with others, pass tests, and get your point across in writing, using words and punctuation effectively is a necessary skill. It's a fact that in our life today, good communication skills—including writing—are essential. The good news is that grammar and writing skills can be developed with practice.

A cool idea with a big splash You know the Super Soaker. It ’ s one of top twenty toys of all time. And it was invented entirely by accident. Trying to create a new cooling system for rockets, impressive inventor Lonnie Johnson instead created the mechanics for the iconic toy. A love for rockets, robots, inventions, and a mind for creativity began early in Lonnie Johnson ’ s life. Growing up in a house full of brothers and sisters, persistence and a passion for problem solving became the cornerstone for a career as an engineer and his work with NASA. But it is his invention of the Super Soaker water gun that has made his most memorable splash with kids and adults.
