Who really runs the world? Who controls the money, the politics, and almost every facet of life without you knowing a thing about it? Is such a thing possible? Maxwell grew up in a family that had high-ranking insiders in international politics and religion, so had access to information that few people could imagine. He continued with a lifetime of investigation and is now considered the worlds foremost authority on ancient religions and modern conspiracies. He has appeared on three CBS television specials and countless radio shows. His work on the true meaning of symbols in politics, religion, and major corporations is also covered in this highly illustrated book. Explore this fascinating subject with a man who has devoted a lifetime of study to uncovering our hidden masters.

This book proves there is nothing new under the sun regarding many of our modern religious beliefs. This includes Christianity, and how many of its beliefs could be far older than what we have suspected. It gives a complete run-down of the stellar, lunar, and solar evolution of our religious systems and contains new, long-awaited, exhaustive research on the gods and our beliefs.

Foreword by Jordan Maxwell. This incredibly detailed book reveals the hidden meanings behind occult signs and symbols from ancient times, found in what is termed stellar theology, and then carried over into modern religions. Few people have any knowledge of the occult or hidden connections between Judaism, Christianity and the Biblewith World Freemasonry. Brown, a Freemason, provides these important connections. Covers ancient astronomy and how it became incorporated into the various religions. Also explores the worlds early legends and symbols and how they were connected to ancient astronomical systems. These revealing facts form the basis for many of todays religious concepts and belief systems.

Introduction by Jordan Maxwell. This well-researched work returns us to the earliest known forms of religion and nature worship to show how our modern religions formed and where they came from. Also brings us into modern times, reviving and supporting the important work of John Marco Allegro, author of The Sacred Mushroom and the Cross. Reveals how natural entheogens, including the Amanita muscaria mushroom, were used by those seeking higher consciousness and an authentic religious experience. A must read for researchers investigating the origins of religion and the symbology used by modern religions of today. Includes extensive bibliography, 185 illustrations and over 500 footnotes.
