The "Diamond Dilemma" provides a profound, provocative, and unique outsider' s inside perspective on the challenges and opportunities facing South Korea. It concludes with a passionate plea for change, highlighting how the country can achieve its full potential as a shining diamond. The book received wide-spread acclaim and media attention in Korea, where it was released by Random House Joongang. The English version is now available on Lulu. "For anyone ... trying to understand how nations and industries evolve, what role Korea and other Asian countries are likely to play ..., and why some companies succeed and others fail, the "Diamond Dilemma" is a fascinating and indispensable guide." Sir Geoffrey Owen, Senior Fellow, London School of Economics, and former editor of the Financial Times
