When should I service my Audi? There are two types of service schedule available: Fixed (serviced every 9,300 miles/1 year) and Flexible (up to 18,600 miles/2 years). We recommend a Flexible schedule for people who drive longer distances, typically on motorways and main roads, while a Fixed schedule is right for lower-mileage drivers who do ...

Audi A6 Interim Service We recommend having an Interim Service every 6,000 miles or 6 months (whichever is sooner) to keep your car safe and roadworthy between full services. Our Interim Service package is ideal for drivers who use their vehicle for regular, short journeys in and around town or for those drivers who have a high mileage and want peace of mind between annual services.

The Audi A6 is an executive car made by the German automaker Audi. Now in its fifth generation, the successor to the Audi 100 is manufactured in Neckarsulm, Germany, and is available in saloon and estate configurations, the latter marketed by Audi as the Avant. Audi's internal numbering treats the A6 as a continuation of the Audi 100 lineage, with the initial A6 designated as a member of the C4 ...
