Leaf Template Printables | Woo! Jr. Kids Activities

First, print the fall leaf templates on white card stock and cut them out. For thicker lines, we traced the templates onto black construction paper and then cut these out. You will need 2 identical leaf outlines for each suncatcher. Then place one leaf outline onto the sticky side of a piece of contact paper or self-adhesive laminating paper.

A collection of craft ideas for kids that create a minimum of mess.

Bring out your handmade holiday spirit! Use your favorite applique methods to create quilts, table decor, gifts and more. This book has something for everyone-projects range from classic to contemporary. Make it a Christmas that everyone wants to come home for!

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

Bring out your child's creativity and imagination with more than 60 artful activities in this completely revised and updated edition Art making is a wonderful way for young children to tap into their imagination, deepen their creativity, and explore new materials, all while strengthening their fine motor skills and developing self-confidence. The Artful Parent has all the tools and information you need to encourage creative activities for ages one to eight. From setting up a studio space in your home to finding the best art materials for children, this book gives you all the information you need to get started. You'll learn how to: * Pick the best materials for your child's age and learn to make your very own * Prepare art activities to ease children through transitions, engage the most energetic of kids, entertain small groups, and more * Encourage artful living through everyday activities * Foster a love of creativity in your family

A man made of leaves blows away, traveling wherever the wind may take him, in a fresh, autumn tale with illustrations made from actual fall leaves and die-cut pages on every spread that reveal gorgeous landscape vistas. Jr Lib Guild.

Plan for six weeks of learning covering all six areas of learning and development of the EYFS through the topic of Autumn. The Planning for Learning series is a series of topic books written around the Early Years Foundation Stage designed to make planning easy. This book takes you through six weeks of activities on the theme of Autumn. Each activity is linked to a specific Early Learning Goal, and the book contains a skills overview so that practitioners can keep track of which areas of learning and development they are promoting. This book also includes a photocopiable page to give to parents with ideas for them to get involved with their children's topic, as well as ideas for bringing the six weeks of learning together. The weekly themes in this book include: detecting autumn, harvest, autumn leaves, autumn fruits, windy week and autumn gallery.

Crafting has never been more popular and Maggy Woodley, the creative force behind Red Ted, is passionate about making things with her children, Max, four, and Pippa, two. Using recycled materials and bits and bobs collected when out and about, here are over 60 utterly irresistible things to make with your kids. From adorable peanut shell finger puppets to walnut babies, loo roll marionettes and egg carton fairy lights, fabric mache bowls, stick men and shell crabs, stone people, and many more, these are projects for all the family to have fun with. And what's more, the end results are so cute and desirable that they look great around the home, or make wonderfully unique and personal gifts. With a funky, modern design and vibrant full colour photography throughout, this is a must-have addition to every young family's bookshelf.

Plan for six weeks of learning for each season with this bumper edition, covering all six areas of learning and development of the EYFS. This bumper edition contains all the material contained in Planning for Learning Through Spring, Summer, Autumn and Winter in one value book. Ideal for helping young children to explore the seasons, whatever the time of year, with this step-by-step guide to planning fun activities that cover a wide range of Early Learning Goals. This title comes with advice on observing and assessing children's learning, as well as how to record evidence of learning. It also includes photocopiable sheets for parents to take and extend the learning at home. A must-have for any early years setting wanting easy to dip into planning all year round.

Compassionate Knitting: Finding Basic Goodness in the Work of Our Hands is a knitting book unlike any other. The 20 original-design projects included in this book range from small accessory items and gifts to wearable garments-all of which include personal ritual in their creation or use. Each project is inspired by an element of the world around us, based on a contemplative theme drawn from Shambhala Buddhism and Eastern arts or, in some cases, Western notions of the magical and mindful.
