~~Buddhism for Today by Chris Wright "Buddhism for Today" is part of a series of texts designed to fit the SCAA model syllabuses, which emphasise "learning about" and "learning from" religion. Each book consists of 29 two-page spreads with readable text that is highly illustrated and supported by activities.~~

~~Buddhism for Today is part of a series of texts designed to fit the SCAA model syllabuses, which emphasise "learning about" and "learning from" religion. Each book consists of 29 two-page spreads with readable text that is highly illustrated and supported by activities. Each book has a one-page glossary and a one-page index. Buddhism for Today explores Buddhism through the three key concepts of the Buddha, the Dhamma and the Sangha.~~

~~From one of America's most brilliant writers, a New York Times bestselling journey through psychology, philosophy, and lots of meditation to show how Buddhism holds the key to moral clarity and enduring happiness. At the heart of Buddhism is a simple claim: The reason we suffer--and the reason we make other people suffer--is that we don't see the world clearly. At the heart of Buddhist meditative practice is a radical promise: We can learn to see the world, including ourselves, more clearly and so gain a deep and morally valid happiness. In this "sublime" (The New Yorker), pathbreaking book, Robert Wright shows how taking this promise seriously can change your life--how it can loosen the grip of anxiety, regret, and hatred, and how it can deepen your appreciation of beauty and of other people. He also shows why this transformation works, drawing on the latest in neuroscience and psychology, and armed with an acute understanding of human evolution. This book is the culmination of a personal journey that began with Wright's landmark book on evolutionary psychology, *The Moral Animal*, and deepened as he immersed himself in meditative practice and conversed with some of the world's most skilled meditators. The result is a story that is "provocative, informative and...deeply rewarding" (The New York Times Book Review), and as entertaining as it is illuminating. Written with the wit, clarity, and grace for which Wright is famous, *Why Buddhism Is True* lays the foundation for a spiritual life in a secular age and shows how, in a time of technological distraction and social division, we can save ourselves from ourselves, both as individuals and as a species.~~

~~This historical introduction to Buddhism presents students with an engaging exploration of the diversity of thoughts and practices of a wide segment of followers of the Buddha. It covers five main aspects of Buddhism: ritual, devotionalism, doctrine, meditation, practice, and institutional history.~~

~~This volume seeks to answer the question of how the Buddhist monks in today's Sri Lanka-given Buddhism's traditionally nonviolent philosophy--are able to participate in the fierce political violence of the Sinhalese against the Tamils.~~

~~A national bestseller and acclaimed guide to Buddhism for beginners and practitioners alike In this simple but important volume, Stephen Batchelor reminds us that the Buddha was not a mystic who claimed privileged, esoteric knowledge of the universe, but a man who challenged us to understand the nature of anguish, let go of its origins, and bring into being a way of life that is available to us all. The concepts and practices of Buddhism, says Batchelor, are not something to believe in but something to do--and as he explains clearly and compellingly, it is a practice that we can engage in, regardless of our background or beliefs, as we live every day on the path to spiritual enlightenment.~~

~~Uses an 'issues-based' approach Carefully researched and planned to help you create 'religious literate' and interested students~~**Explores religious questions, meanings, and interactions in a thematic way covering the real concerns of today's world****Book A: Religions in the World** **A challenging book that offers a thought-provoking response to how religions interact with the world today. A book covering the essence of six world religions: Christianity, Buddhism, Hinduism, Islam, Judaism, and Sikhism. This book is a course companion especially suitable for Years 7-9. It may be used alongside existing 'Religion for Today' titles and forthcoming titles for Key Stage 3.**

~~Buddhism in the Modern World explores the challenges faced by Buddhism today, the distinctive forms that it has taken and the individuals and movements that have shaped it. Part One discusses the modern history of Buddhism in different geographical regions, from Southeast Asia to North America. Part Two examines key themes including globalization, gender issues, and the ways in which Buddhism has confronted modernity, science, popular culture and national politics. Each chapter is written by a distinguished scholar in the field and includes photographs, summaries, discussion points and suggestions for further reading. The book provides a lively and up-to-date overview that is indispensable for both students and scholars of Buddhism.~~

~~Stephen Covell addresses fully contemporary Buddhist life and institutions - topics often overlooked in the conflict between the rhetoric of renunciation and the practices of clerical marriage and householding that characterise much of Buddhism in today's Japan.~~

~~Buddhism in America provides the most comprehensive and up to date survey of the diverse landscape of US Buddhist traditions, their history and development, and current methodological trends in the study of Buddhism in the West, located within the translocal flow of global Buddhist culture. Divided into three parts (Histories; Traditions; Frames), this introduction traces Buddhism's history and encounter with North American culture, charts the landscape of US Buddhist communities, and engages current methodological and theoretical developments in the field. The volume includes: - A short introduction to Buddhism - A historical survey from the 19th century to the present - Coverage of contemporary US Buddhist communities, including Theravada, Mahayana, and Vajrayana Theoretical and methodological issues and debates covered include: - Social, political and environmental engagement - Race, feminist, and queer theories of Buddhism - Secular Buddhism, digital Buddhism, and modernity - Popular culture, media, and the arts Pedagogical tools include chapter summaries, discussion questions, images and maps, a glossary, and case studies. The book's website provides recommended further resources including websites, books and films, organized by chapter. With individual chapters which can stand on their own and be assigned out of sequence, Buddhism in America is the ideal resource for courses on Buddhism in America, American Religious History, and Introduction to Buddhism.~~
