This new edition of Systematic Theology by Wayne Grudem may be the most important resource you can own for helping you understand Scripture and grow as a Christian. The most widely used resource of the last 25 years in its area, Systematic Theology by Wayne Grudem has been thoroughly revised and expanded (all 57 chapters) for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural basis, and practical applications to daily life. Praise for the second edition: "After a quarter century of remarkable usefulness globally . . . it remains remarkable. I thank God for this precious gift to Christ's people worldwide." - John Piper "Stands out for its clarity and accessibility." - Thomas R. Schreiner "One of those rare works that can challenge the scholar and instruct the beginner . . . It is simply indispensable." - Jack Deere With nearly 200 pages of new content and revisions that took several years, this new edition now includes the following distinctive features, making it even better: Updated, fuller analysis of several recent controversies within evangelicalism, including the eternal relationship between the Father

and the Son in the Trinity, the question of God's atemporal eternity, the role of women in the church, "seeker-sensitive" churches, miraculous gifts of the Holy Spirit, and contemporary worship music. New, thoughtful critiques of open theism, the "new perspective on Paul," Molinism (or "middle knowledge"), "Free Grace" theology, and the preterist view of Christ's second coming Completely revised, stronger chapter on the clarity of Scripture Completely revised, stronger chapter on creation and evolution, including a longer critique of theistic evolution and an extensive discussion on the age of the earth New discussion of how biblical inerrancy applies to some specific "problem verses" in the Gospels Additional material respectfully explaining evangelical Protestant differences with Roman Catholicism (with extensive interaction with the Catechism of the Roman Catholic Church), Protestant liberalism, and Mormonism Completely updated bibliographies All Scripture quotations updated from RSV to ESV An explanation of why monogenes in John 3:16 and elsewhere should be translated as "only begotten" rather than merely "only" (this is a change from the first edition) A contemporary worship song added at the end of each chapter (while retaining the traditional hymns as well) New discussion on the impassibility of God An extensive discussion on the eternal submission of the Son to the Father, taking into account controversies in recent years Updated section on contemporary worship music A discussion of recent criticisms of the penal substitutionary view of the atonement Numerous other updates and corrections that have been prompted by letters and emails from people around the world and by interaction with the students Wayne has taught over the last 26 years both at Trinity Evangelical Divinity School and at Phoenix Seminary Part of the brilliance of Systematic Theology over the years has been its simplicity and ease of use. Each chapter follows the same structure. First, there is discussion of the doctrine being considered, such as justification or the Trinity or the deity of Christ. An explanation of that doctrine's biblical support and possible objections follow. Personal application and key terms to know for personal growth are then provided. Chapters also include a Scripture memory passage, references to other literature on the topic, and suggested hymns and worship songs. If you are someone who thinks theology is hard to understand or boring, then this new edition of Systematic Theology will likely change your mind.

Ours is an age of anxiety. We worry about our children, jobs, homes, health, and finances. News and social media feed our fears. Even the fear of missing out leads to anxiety. The solution isn't to rid ourselves of the sources of anxiety but to recognize that anxiety originates from a spiritual influence--and then use the weapons of power, love, and a sound mind to fight back and live in God's peace. Sharing her own story of emerging from the battle with anxiety as well as the stories of others, Dr. Michelle Bengtson reminds you of your identity as a follower of Christ and of the peace he promises you in spite of everything. She provides tools to cope with the crushing emotional burden of anxiety now, and, more importantly, shows you how to reclaim God's peace as a way of life so that you can break anxiety's grip.

HALT! DISMOUNT AND BE RECOGNIZED "Exploring the collision of everyday life and an incredible God." Daily life can seem so...well.daily. Ordinary. Mundane. Yet the Bible tells us that God is always with us. Somehow, in our ordinary, everyday stuff, there is a collision with the divine. But how can we see God in our everyday, ordinary and sometimes boring life? How can we learn about Him as we walk through this journey? Sometimes it helps to have a tour guide. That's where I come in. This book is a peek into my life. My ordinary, daily life. And as I share with you how I've seen God on the journey, maybe it'll help you see Him a little better in your daily life too. Reflections of Gods Grace is a collection of devotional messages that have simple, yet profound illustrations for Godly living. They are reminders for many of us of what we have learned through sermons, songs and Scripture. Each devotion has a group of scriptures to support the message because Gods Word is most important. Psalm 119:11 says, Thy word have I hid in mine heart, that I might not sin against thee. These devotions will challenge you to examine your heart and your walk with the Lord, and help you become a brighter Reflection of Gods Grace.

Beyond sound equipment and music charts, eleven noted worship leaders from around the United States write about the ministerial part of their work as it relates to the gospel, mission, disciple-making, liturgy, the Trinity, justice, creativity, family, and more.

I want to share my personal testimony to leave a legacy for the future generation to see how the LORD God desires relationship with us as His creation. Since the fall of man, we are all born into a sinful nature. It is up to each one of us on this journey of life to recognize the need for a Savior at the time it pleases God to reveal himself to you. Once your spiritual eyes are open, and you have allegiance with God through Christ Jesus, there will be trials and tribulations here on earth. I share to entice readers to consider their position with God and to encourage fellow Christians to overcome and live in victory. All the answers to life's concerns and the need for guidance are written in the Word of God, the Holy Inspired Bible. Our sacrifice is to praise Him, as singer Kristian Stanfill voiced in the lyrics: "Oh, Praise the one who paid my debt and raised this life up from the dead." Yes, He did. "I appeal to you therefore, brothers, by the mercies of God, to present your bodies as a living sacrifice, holy and acceptable to

God, which is your spiritual worship." Romans 12:1 ESV Tyler "Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect." Romans 12:2 ESV Shane "Rejoice in hope, be patient in tribulation, be constant in prayer." Romans 12:12 ESV Jessica
