It's just a scratch - a scratch that transforms the witch forever. Already a witch at breaking point, I really can't be dealing with the latest scandal affecting my life. I'm busy selling spells from my shop when my brother accidently almost kills a werewolf, attracting the wrath of my enemy, the Brighton Pack alpha, Malone. His attack leaves me with a scratch that turns me into the first ever hybrid-witch and solidifies my expulsion from the coven, leaving me all alone. I'm not sure how much more I can take. When Malone smells his toxins in me, he vows to help me through the first shift. As alpha, his responsibility is to his pack and turning a witch is against sacred wolf laws. His pack will disown him if he doesn't get rid of me. He's ready to rectify his wrong, threatening to end my life, until I shift and the mating bond is evoked. Can Malone reject the forbidden pull towards me in order to keep his pack? Or will I be able to escape before he claims me and jeopardises his position as alpha?

Someone is out for blood... For Head Witch Zoe Clarke, everything has led to this moment. Since defeating a deadly organization of warlocks, Zoe has been enjoying some much-needed time off with her fiancé, Beau, and their newborn babies. But after one of Zoe's colleagues is found drained dry, Zoe's blood boils. And when threats of more attacks surface, Zoe realizes her enemies haven't finished with her yet. From a new band of red-robed mages spreading propaganda to the growing rifts among her colleagues, Zoe's convinced more blood will be spilled before it's over – especially when another of her colleagues gets siphoned. Will Zoe catch the killer red handed? Or will her efforts be like squeezing blood from a stone? Bloodmages and Blackmail is the tenth book in the Magic and Mystery series of witch cozy mysteries. If you like meddling mages, blistering blackmail, and magical murder mysteries, then you'll love this lighthearted tenth entry in Lily Webb's spellbinding series.

A series of essays on parapsychology and psychical research with special reference to the importance of music in paganism and witchcraft. The author investigates the use of music in telepathic contact using controlled experiments. He looks at mediums who claim contact with dead composers and people who have heard 'ghostly' music are also examined.

After the Calder Witch ambush, Veronica and Morgan part ways from Kristian and Tessa to escape the brutal bloodshed and to explore their own vampiric romance. But it seems that their romantic getaway entangles them deeper within the supernatural war and what they have uncovered leads them urgently rushing straight back to Kristian and Tessa. What has Veronica and Morgan learned that will change the course of their deadly fight against the century-old Calder Witch Prophecy?

'This is the entrance to the Witch Well and behind that door you'd face your worst nightmare. Don't ever go through there.' Night falls, the portcullis rises in the moonlight, and young Billy starts his first night as a prison guard. But this is no ordinary prison. There are haunted cells that can't be used, whispers and cries in the night

Nothing stays buried forever... Reporter Zoe Clarke's life has lost its magic. So when she gets a job offer in the middle of nowhere, Zoe jumps at the chance to make a name for herself only to find her new home is teeming with magic and paranormal beings—and those aren't its only secrets. During a heated election for Head Witch, the most powerful position in town, Zoe's predecessor was buried alive—and accusations are flying faster than broomsticks. Despite her editor's orders to leave the story alone, Zoe can't resist. From the front-running witch with a secret to the mysterious vampires pulling strings in the shadows, Zoe knows the truth is just under the surface. So after she discovers she has rare telepathic abilities, Zoe realizes she's the only one who can keep digging. Will Zoe's powers lead her to the murderer and the scoop of a lifetime? Or will they send her to an early grave? *Broomsticks and Burials* is the first book in the Magic and Mystery series of witch cozy mysteries.
