This exam is for those students who have foundational skills and understanding of Tableau Desktop and at least one month of applying this understanding in the product. In the book, four practice tests are mock exams, not brain dumps. In particular: * Four Practice Tests (30 questions each with an exact Tableau domains' breakdown): Tableau multiple-choice/multi-response format (22 theoretical, 8 hands-on). * Answer Key: why this, not that + clickable links to supporting materials (docs, blogs, wikis, and videos) * Free online resources: books, video, blogs, podcasts They are designed to replicate the style, topics, and complexity of the real-world Tableau certification exam. The number of questions for each Domain Topic is chosen to match the current Tableau Desktop Specialist Exam Guide. The sentence length and structure of questions are adjusted to match examples from the Exam Guide.

- This is the latest practice test to pass the MD-100 Windows 10 Microsoft Exam. - It contains 294 Questions and Answers. - All the questions are 100% valid and stable. - You can reply on this practice test to pass the exam with a good mark and in the first attempt.
