Using Italian Vocabulary provides the student of Italian with an in-depth, structured approach to the learning of vocabulary. It can be used for intermediate and advanced undergraduate courses, or as a supplementary manual at all levels - including elementary level - to supplement the study of vocabulary. The book is made up of twenty units covering topics that range from clothing and jewellery, to politics and environmental issues, with each unit consisting of words and phrases that have been organized thematically and according to levels so as to facilitate their acquisition. The book will enable students to acquire a comprehensive control of both concrete and abstract vocabulary allowing them to carry out essential communicative and interactional tasks. • A practical topic-based textbook that can be inserted into all types of course syllabi • Provides exercises and activities for classroom and self-study • Answers are provided for a number of exercises

The series Studies on Modern Orient provides an overview of religious, political and social phenomena in modern and contemporary Muslim societies. The volumes do not only take into account Near and Middle Eastern countries, but also explore Islam and Muslim culture in other regions of the world, for example, in Europe and the US. The series Studies on Modern Orient was founded in 2010 by Klaus Schwarz Verlag.

Johann Michael Wansleben's Travels in the Levant, 1671-1674, is an account of the travels in Syria, Turkey and Egypt by one of the best known scholar-travellers of his day who collected manuscripts and antiquities and made some major archaeological discoveries.
