Editorial Reviews "The third book in Wild's Bridge series is a fantastic read, certain to woo new readers and satiate her returning fans. *Over the Edge* checks off all the boxes: it's emotional, intense and extremely sexy. Wild taps into an often thought of as taboo fantasy — one woman sharing two men — and makes it a possibility, allowing the reader to live vicariously through the main character. While this is part of the Bridge series, it's also effective as a standalone novel." -RT Book Reviews
