Il cucciolo è stato subito battezzato Pistacchio. Fa parte di una cucciolata di cinque cani nati il 9 ottobre, tutti con il pelo bianco, dello stesso colore della loro mamma, cane pastore di razza meticcica. Nelle foto sotto, le fasi dell'allattamento. Pistachio, a puppy who was born with green fur, is seen on the day he was born on a farm on the island of Sardinia, in Pattada, Italy ...

Il cucciolo by Marjorie Kinnan Rawlings and a great selection of related books, art and collectibles available now at AbeBooks.co.uk.

This electronic book is a companion to our first book, Il vero italiano: Your Guide to Speaking "Real" Italian (also available in Google Play/Google Books). This work features exercises to help you practice the grammar, words and expressions presented in the first book. We have also included additional grammar sections called "ALT!" (Halt!) which includes some topics that were left out of the first book. There is also a section of appendices at the end of the book which includes useful charges and lists to help in your endeavor to speak and learn Italian!

Now comes with a free companion audio app that allows readers to scan the pages to hear words spoken in both Italian and English. Newly revised and updated, the Italian-English Bilingual Visual Dictionary is a quick and intuitive way to learn and recall everyday words in Italian. Introducing a range of useful current vocabulary in thematic order, this dictionary uses full-color photographs and artworks to display and label all the elements of everyday life—from the home and office to sport, music, nature, and the countries of the world—with panel features on key nouns, verbs, and useful phrases. The Italian-English Bilingual Visual Dictionary features: + A quick and intuitive way to learn and remember thousands of words. + A complete range of illustrated objects and scenes from everyday life. + Fast and effective learning for any situation, from home and office to shopping and dining out. + Detailed index for instant reference. The illustrations provide a quick and intuitive route to learning a language, defining the words visually so it is easier to remember them and creating a colorful and stimulating learning resource for the foreign-language and EFL/ESL student.

Organized by such common subjects as Home, Work, Eating Out, Transportation, Health and Sports, these bilingual visual dictionaries give students and business people quick access to foreign terms in the simplest and most intuitive way.

Using Italian Vocabulary provides the student of Italian with an in-depth, structured approach to the learning of vocabulary. It can be used for intermediate and advanced undergraduate courses, or as a

supplementary manual at all levels - including elementary level - to supplement the study of vocabulary. The book is made up of twenty units covering topics that range from clothing and jewellery, to politics and environmental issues, with each unit consisting of words and phrases that have been organized thematically and according to levels so as to facilitate their acquisition. The book will enable students to acquire a comprehensive control of both concrete and abstract vocabulary allowing them to carry out essential communicative and interactional tasks. • A practical topic-based textbook that can be inserted into all types of course syllabi • Provides exercises and activities for classroom and self-study • Answers are provided for a number of exercises

Bioenergy: Principles and Technologies introduces biomass energy resources and then elaborates on bioenergy technologies including biomass combustion, biogas production, biomass briquettes and biomass gasification. With a combination of theories, experiments and case studies, the book is an essential reference for bioenergy researchers, industrial chemists and chemical engineers.
