Il labirinto Maze Runner 1

L'unico modo di sopravvivere è trovare l'uscita... Quando Thomas si risveglia, le porte dell'ascensore in cui si trova si aprono su un mondo che non conosce. Non ricorda come ci sia arrivato, né alcun particolare del suo passato, a eccezione del proprio nome di battesimo. Con lui ci sono altri ragazzi, tutti nelle sue stesse condizioni, che gli danno il benvenuto nella Radura, un ampio spazio limitato da invalicabili mura di pietra, che non lasciano filtrare neanche la luce del sole. L'unica certezza dei ragazzi è che ogni mattina le porte di pietra del gigantesco Labirinto che li circonda vengono aperte, per poi richiudersi di notte. Ben presto il gruppo elabora l'organizzazione di una società disciplinata dai Custodi, nella quale si svolgono riunioni dei Consigli e vigono rigorose regole per mantenere l'ordine. Ogni trenta giorni qualcuno si aggiunge a loro dopo essersi risvegliato nell'ascensore. Il mistero si infittisce quando – senza che nessuno se lo aspettasse – arriva una ragazza. È la prima donna a fare la propria comparsa in quel mondo, ed è il messaggio che porta con sé a stupire, più della sua stessa presenza. Un messaggio che non lascia alternative. Ma in assenza di qualsiasi altra via di fuga, il Labirinto sembra essere l'unica speranza del gruppo... o forse potrebbe rivelarsi una trappola da cui è impossibile uscire. "Il Labirinto è una lettura magnetica, che vi catapulterà in un mondo dai risvolti oscuri e vi catturerà fino alla fine." Library Journal

When the doors of the lift crank open, the only thing Thomas remembers is his first name. But he's not alone. He's surrounded by boys who welcome him to the Glade - a walled encampment at the centre of a bizarre and terrible stone maze. Like Thomas, the Gladers don't know why or how they came to be there - or what's happened to the world outside. All they know is that every morning when the walls slide back, they will risk everything - even the Griever, half-machine, half-animal horror that patrol its corridors, to try and find out.
Newt has been to hell and back with his friends. The Glade. The Maze. The Scorch. The inner halls of WICKED. But now he has a burden that can't be shared with Thomas and the others—the Flare. And Newt can't bear the thought of his friends watching him descend into madness as he succumbs to the virus. Leaving only a note, Newt departs the Berg before the Gladers return from their mission into Denver, Colorado. From there, he experiences the gritty nightmare of life on the streets, running from the infected and those hunting them, until he ends up in the Crank Palace, the last dumping ground of those without hope. Although Newt thought he was running away from his friends to save them from himself, along the way he meets a young mother named Keisha and her son, Dante, who end up saving Newt in a way he could never have imagined. Taking place during the latter events of The Death Cure, Crank Palace tells the story of Newt like never before, from inside his own mind, as he searches for meaning in a life gone horribly wrong. He will try to fulfill a new-found destiny before his path leads to its inevitable conclusion—and one last meeting with his best friend.
