Best book on stand up. I've tried to get through several other books on stand up, and most of the time I find them preachy and restrictive. I don't think anyone can tell an artist how to find their voice and be themselves, or tell them an exact process they need to go through.

Dangerfield, Louis C.K., Steve Martin, Roseanne, and Johnny Carson) to show the reader—and would-be comic—what works, what doesn't, and why. Forty sharply written chapters cover every conceivable angle of the joke and how to tell it. There are a number of books on comedy and how to do it, but none has the breadth and authority Rosenfield brings to his theme. It's not for nothing that the New York Times has described him as "probably the best-known comedy teacher in the country." Rosenfield's book is sure to become the classic text on its subject. And it should help thousands who long to make others laugh to realize their fondest hopes.

This entertaining and sharply written guide—for both beginners breaking into comedy and professionals seeking to improve their sets and advance their careers—examines the work of great comedians such as Louis C.K., Jerry Seinfeld, Eddie Izzard, Moms Mabley, Hannibal Buress, Sarah Silverman, Richard Pryor, and more as a means of illustrating the most important techniques of performing and writing stand-up. Here, Stephen Rosenfield lays out a clear plan for achieving success, candidly explaining what works, what doesn't, and why. Including a 12-item "Successful Comedian's To-Do List," Rosenfield states, "Get undeniably good at each of these and you can kiss your day job good-bye. You will be a pro." The New York Times heralded Stephen Rosenfield as "probably the best known comedy teacher in the country." His alumni include some of today's most prominent comedians and comedy writers, such as Lena Dunham, Jim Gaffigan, Eric Slovin, and Jessica Kirson. Rosenfield has directed, coached, and/or written for these and hundreds of other comedians. As a pioneer in the field of teaching comedy, he founded the American Comedy Institute, the premier stand-up comedy school in the United States, in 1989.

If you think you're funny, buy this book! Whether you dream of becoming a star . . . A better public speaker . . . A more effective communicator . . . A funnier, happier human being . . . You can learn to leave 'em laughing! David Letterman learned to do it. Jay Leno learned to do it. Roseanne Barr learned to do it. So can you! Now successful stand-up comic Judy Carter—who went from teaching high school to performing in Las Vegas, Atlantic City, Lake Tahoe, and on over 45 major TV shows—gives you the same hands-on, step-by-step instruction she's taught to students in her comedy workshops. She shows you how to do it: create an act, perform it, make money with it, or apply it to everyday life. Discover:

- The formulas for creating comedy material
- How to find your own style
- The three steps to putting your act together
- Rehearsal do's and don'ts
- What to do if you bomb
- Ways to punch up your everyday life with humor

If you think you're funny, and you want others to think so too, this is the book for you! Greg Dean examines the fundamentals of being funny and offers

advice on a range of topics, including: writing creative joke material rehearsing and performing routines coping with stage fright dealing with emcees who think they're funnier than you are getting experience and lots more. Essential for the aspiring comic or the working comedian interested in updating his or her comedy routine, Step by Step to Stand-Up Comedy is the most comprehensive and useful book ever written on the art of the stand-up comedian.

In this engaging and disarmingly frank book, comic Jay Sankey spills the beans, explaining not only how to write and perform stand-up comedy, but how to improve and perfect your work. Much more than a how-to manual Zen and the Art of Stand-Up Comedy is the most detailed and comprehensive book on the subject to date.

A NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER The legendary investor shows how to identify and master the cycles that govern the markets. We all know markets rise and fall, but when should you pull out, and when should you stay in? The answer is never black or white, but is best reached through a keen understanding of the reasons behind the rhythm of cycles. Confidence about where we are in a cycle comes when you learn the patterns of ups and downs that influence not just economics, markets, and companies, but also human psychology and the investing behaviors that result. If you study past cycles, understand their origins and remain alert for the next one, you will become keenly attuned to the investment environment as it changes. You'll be aware and prepared while others get blindsided by unexpected events or fall victim to emotions like fear and greed. By following Marks's insights—drawn in part from his iconic memos over the years to Oaktree's clients—you can master these recurring patterns to have the opportunity to improve your results.

The opera star describes her childhood in the segregated South, the values that shaped her ambitions, her meteoric rise at the Berlin Opera, and the accomplishments that have established her as one of America's most decorated singers.

Judy Carter, guru to aspiring comedy writers and stand-up comics, tells all about the biz of being funny and writing funny in this bright, entertaining, and totally practical guide on how to draw humor from your life and turn it into a career. Do you think you're funny? Do you want to turn your sense of humor into a career? If the answer is yes, then Judy Carter's *The Comedy Bible* is for you. The guru to aspiring stand-up comics provides the complete scoop on being—and writing—funny for money. If you've got a sense of humor, you can learn to make a career out of comedy, says Judy Carter. Whether it's creating a killer stand-up act, writing a spec sitcom, or providing jokes for radio or one-liners for greeting cards, Carter provides step-by-step instructions in *The Comedy Bible*. She helps readers first determine which genre of comedy writing or performing suits them best and then directs them in developing, refining, and selling their work. Using the hands-on workbook format that was so effective in her bestselling first book, *Stand-Up Comedy: The Book*, Carter offers a series of day-by-day exercises that draw on her many years as a successful stand-up comic and the head of a nationally known comedy school. Also included are practical tips and advice from today's top comedy professionals—from Bernie Brillstein to Christopher Titus to Richard Lewis. She presents the pros and cons of the various comedy fields—stand-up, script, speech and joke writing, one-person shows, humor essays—and shows how to tailor your material for each. She teaches how to find your “authentic” voice—the true source of comedy. And, perhaps most important, Carter explains how to take a finished product to the next level—making money—by pitching it to a buyer and negotiating a contract. Written in Carter's unique, take-no-prisoners voice, *The Comedy Bible* is practical, inspirational, and funny.

* Covers gear, fitness, safety, lingo, and rules of the water * Includes basic to intermediate techniques, surf culture, and competitive surfing * Author is an award-winning journalist and life-long surfer Surfing's not just for rebels anymore: anyone with the desire to ride a wave is grabbing a board and heading to the beach. Each year, this artform-cum-sport gains popularity as business executives, grandmas, teenagers, coastal dwellers, and adventure travelers get stoked to catch swells. This new guidebook by sports writer and waterman Elliott Almond is a primer for the uninitiated as well as a handbook for the experienced ready to build on their fundamental skills. Covering topics ranging from basic techniques to fitness prep (including exercises to get your arms ready for all that paddling and stretches to keep you limber) and from history, surf culture, and a complete explanation of gear, to how to find the right board for you, this book also features insights from industry leaders, pro surfers, and instructors. With more than three decades of surfing experience to share, Almond offers clear, authoritative guidance to help those venturing into uncharted waters find their way safely and confidently.
