MRS PALFREY AT THE CLAREMONT — SOME QUESTIONS What different sorts of familial relationships are there in the novel? In what ways does shame manifest itself in the novel?

Book club: Mrs Palfrey at the Claremont, by Elizabeth Taylor

Dame Joan Plowright plays Mrs. Palfrey, a 70-something widow who takes up residence at the dowdy Claremont hotel in London, which is inhabited by many other elderly people. Everyone sort of keeps to themselves, and it is obvious that Mrs. Palfrey is not quite among like-minded people.

Watch Mrs Palfrey at the Claremont † Prime Video

The story opens in the mid 1960's with Mrs Laura Palfrey, a retired widow, arriving to live at the Claremont, a residential hotel in London for senior citizens. While out for a walk one day, she trips and falls, and is rescued by an aspiring young author named Ludo. From this rather unpromising first meeting, an unlikely camaraderie develops.

Mrs Palfrey at the Claremont (2005)—IMDb

On a rainy Sunday afternoon, Mrs Palfrey, recently widowed, arrives at the Claremont Hotel where she will spend her remaining days. Her fellow residents are a mixed bunch - magnificently flawed and eccentric - living off crumbs of affection and an obsessive interest in the relentless round of hotel meals. Together, upper lips stiffened, they fight off their twin enemies: boredom and the Grim Reaper. And then one day, Mrs Palfrey encounters the handsome young writer Ludo, and an unlikely friendship is formed . . .

A blackly humorous story of loneliness, deception, and life in old age by one of the most accomplished novelists of the twentieth century. On a rainy Sunday afternoon in January, the recently widowed Mrs. Palfrey moves to the Claremont Hotel in South Kensington. "If it's not nice, I needn't stay," she promises herself, as she settles into this haven for the genteel and the decayed. "Three elderly widows and one old man . . . who seemed to dislike female company and seldom got any other kind" serve for her fellow residents, and there is the staff, too, and they are one and all lonely. What is Mrs. Palfrey to do with herself now that she has all the time in the world? Go for a walk. Go to a museum. Go to the end of the block. Well, she does have her grandson who works at the British Museum, and he is sure to visit any day. Mrs. Palfrey prides herself on having always known "the right thing to do," but in this new situation she discovers that resource is much reduced. Before she knows it, in fact, she tries something else. Elizabeth Taylor's final and most popular novel is as unsparing as it is, ultimately, heartbreaking.

Named by the Guardian as one of 'the 100 best novels,' and shortlisted for the Booker Prize, Mrs Palfrey At The Claremont is a humorous and compassionate look at friendship between an old woman and a young man from a 'magnificent...writer, the missing link between Jane Austen and John Updike' (David Baddiel, Independent) On a rainy Sunday in January, the recently widowed Mrs Palfrey arrives at the Claremont Hotel where she will spend her remaining days. Her fellow residents are magnificently eccentric and endlessly curious, living off crumbs of affection and snippets of gossip. Together, upper lips stiffened, they fight off their twin enemies: boredom and the Grim Reaper. Then one day Mrs Palfrey strikes up an unlikely friendship with an impoverished young writer, Ludo, who sees her as inspiration for his novel. Elizabeth Taylor's exquisitely drawn character study of eccentricity in old age is a sharp and witty portrait of genteel postwar English life facing the changes taking shape in the 60s . . . Much of the reader's joy lies in the exquisite subtlety in Taylor's depiction of all the relationships, the sharp brevity of her wit, and the apparently effortless way the plot unfolds' -Robert McCrum 'the 100 best novels', Guardian

The mid-twentieth century British novelist Elizabeth Taylor numbered among her admirers Elizabeth Bowen, Ivy Compton-Burnett, and Kingsley Amis. She also regularly published stories in *The New Yorker* for close to two decades. For all that, her work, as steely as it is delicate, remains the secret of a small number of intensely devoted readers. The publication of her finest novel, *A Game of Hide and Seek*, long unavailable in the United States, should help to change that. This is an unabashed love story, capturing all the uncertainty and inevitability and deceptiveness of true love, tracking the shifting currents of emotional life, and never yielding to melodrama. Set in Britain between the wars, a time of transition between old convention and new ways, the book has for a heroine Harriet, the only child of a suffragette, whom we meet as a shy and domestic and not especially smart or pretty girl. At eighteen she falls in love with Vesey, but after Vesey must go away, she marries another man, Charles, and bears a child. Then Vesey returns. Love is at the center of the book, but so too is Taylor's extraordinary knack for depicting characters. The minor figures in the book—from Harriet's mother's friend Caroline, with her progressive politics, to Charles, his coworkers, and his mother, to Betsy with her schoolgirl crush on her Greek teacher—are as memorable as the passion and heartache of Harriet and Vesey.

Mrs Palfrey at the Claremont (2005)—IMDb

Mrs Palfrey at the Claremont (2005)—Rotten Tomatoes

Blindness and betrayal are Elizabeth Taylor's great subjects, and in *A View of the Harbour* she turns her unsparing gaze on the emotional and sexual politics of a seedy seaside town that's been left behind by modernity. Tory, recently divorced, depends more and more on the company of her neighbors Robert, a doctor, and Beth, a busy author of melodramatic novels. Prudence, Robert and Beth's daughter, disapproves of the intimacy that has grown between her parents and Tory and the gossip it has awakened in their little community. As the novel proceeds, Taylor's view widens to take in a range of characters from bawdy, nosey Mrs. Bracey; to a widowed young proprietor of the local waxworks, Lily Wilson; to the would-be artist Bertram—while the book as a whole offers a beautifully observed and written examination of the fictions around which we construct our lives and manage our losses.

A classic of alternative biography and feminist writing, this empathetic and witty book gives due to a "lesser" figure of history, Mary Ellen Peacock Meredith, who was brilliant, unconventional, and at odds with the constraints of Victorian life. "Many people have described the Famous Writer presiding at his dinner table. . . . He is famous; everybody remembers his remarks. . . . We forget that there were other family members at the table—a quiet person, now muffled by time, shadowy, whose heart pounded with love, perhaps, or rage." So begins *The True History of the First Mrs. Meredith and Other Lesser Lives*, an uncommon biography devoted to one of those "lesser lives." As the author points out, "A lesser life does not seem lesser to the person who leads one." Such sympathy and curiosity compelled Diane Johnson to research Mary Ellen Peacock Meredith (1821-1861), the daughter of the famous artist Thomas Love Peacock (1785-1866) and first wife of the equally famous poet George Meredith (1828-1909). Her life, treated perfunctorily and prudishly in biographies of Peacock or Meredith, is here exquisitely and unhurriedly given its due. What emerges is the portrait of a brilliant, well-educated woman, raised unconventionally by her father only to feel more forcefully the constraints of the Victorian era. First published in 1972, *Lesser Lives* has been a key text for feminists and biographers alike, a book that reimagined what biography might be, both in terms of subject and style. Biographies of other "lesser" lives have since followed in its footsteps, but few have the wit, elegance, and empathy of Johnson's seminal work.

Having escaped from the eastern European concentration camp where he has spent most of his life, twelve-year-old David struggles to cope with an entirely strange world as he flees northward to freedom in Denmark. Originally published as *North to Freedom*. An ALA Notable Book. Simultaneous.

"The English author best known for not being known."--The Atlantic
