This volume of original stories is all for furry feline friends. A unique collection of fantastical cat tales.

New Venice, an Arctic city, seems calm on the outside but a revolt is brewing, as there are tensions between the Eskimos and the city's Subtle Army, while the secret police, the Gentlemen of the Night, suspect that a prominent citizen, Brentford Orsini, has written a rebellious pamphlet.

1910. Pownal, Vermont. At 12, Grace and her best friend Arthur must leave school and go to work as a “doffers” on their mothers’ looms in the mill. Grace’s mother is the best worker, fast and powerful, and Grace desperately wants to help her. But she’s left handed and doffing is a right-handed job. Grace’s every mistake costs her mother, and the family. She only feels capable on Sundays, when she and Arthur receive special lessons from their teacher. Together they write a secret letter to the Child Labor Board about underage children working in Pownal. A few weeks later a man with a camera shows up. It is the famous reformer Lewis Hine, undercover, collecting evidence for the Child Labor Board. Grace’s brief acquaintance with Hine and the photos he takes of her are a gift that changes her sense of herself, her future, and her family’s future.

On December 11, 2012, at 12:41 p.m. eastern standard time, a buried 20-inch-diameter interstate natural gas transmission pipeline (Line SM-80), owned and operated by Columbia Gas Transmission Corporation, ruptured in a sparsely populated area, about 106 feet west of Interstate 77 near Route 21 and Derricks Creek Road, in Sissonville, West Virginia. About 20 feet of pipe was separated and ejected from the underground pipeline and landed more than 40 feet from its original location. According to Columbia Gas Transmission Corporation, the maximum allowable operating pressure of the pipeline was 1,000 pounds per square inch, gauge, and the operating pressure at the time of the rupture was about 929 pounds per square inch, gauge.

PISCES 2012 The end of the world? Or the end of an era? Dadhichi reveals what 2012 will hold for you. Pisceans are deeply intuitive and insightful people and spend a lot of time in the emotional realm. While this makes you a kind and affectionate friend and lover, you must be careful that your lack of rationality doesn't allow you to be easily influenced or taken advantage of. With the use of this book, you will learn which star signs will treasure your sensitivity and unconditional love, how to use your imagination and motivation in the workplace and what to expect in 2012. Your stars will reveal: The true nature of the Pisces woman, man and child Your compatibility with other star signs in the areas of love, friendship and the workplace Ways to harness your career potential and tips for financial success Ways to maintain your health and beauty Monthly and daily predictions for 2012

Xhosa Literature consists of fourteen essays addressing Xhosa literature in three media—the spoken word, newspapers, and books. Literary critics tend to focus on Xhosa literature published in books with some attention paid to Xhosa oral poetry and tales, but by and large the contribution of newspapers to the development of Xhosa literature has been overlooked. This book explores aspects of Xhosa literature in all three media, and their interconnections. Six of the essays treat historical narratives (amabali) and praise poetry (izibongo), setting out the social and ritual function of poetry and the poet (imbongi), mapping changes in the izibongo of three poets as South Africa moved towards democracy in the 1990s, and analyzing recordings of two poems recited by S.E.K. Mqhayi. Three essays are devoted to the first Xhosa novel, Mqhayi's U-Samson (1907), to the

publication of the greatest novel in Xhosa, A.C. Jordan's *Inqumbo yeminyanya* (1940), and to the first published poem in praise of Nelson Mandela, D.L.P. Yali-Manisi's 'UNKosi Rolihlahla Nelson Mandela' (1954). There follow accounts of Xhosa literature in the nineteenth century and the appropriation of the press by Xhosa editors towards the end of that century, of Nontsizi Mqgwetho's fiery poetry published in *Umteteli wa Bantu*, and of poems by Mqgwetho and Mqhayi published in *Abantu-Batho*, two Johannesburg newspapers. The volume concludes with an exposition of an imaginative response to David Yali-Manisi and his poetry. (Series: Publications of the Opland Collection of Xhosa Literature, Vol. 6) [Subject: African Studies, Politics, Sociology, Xhosa Literature]

Biorhythms are the rhythms of life within us all. The book and wheel should help the reader to understand himself and others better. Each cycle - physical, emotional and intellectual - begins on the day you are born and rises and falls in positive and negative phases throughout your life.
