"Engrossing . . . beautifully written and carefully crafted . . . [a] work that explores the healing power of truth."—The Boston Globe For seventeen years, a rural community in Kansas has faithfully tended the grave of an anonymous teenage girl christened the Virgin of Small Plains. And some claim that, perhaps owing to the girl's intervention, strange miracles and unexplainable healings have occurred. Slowly, word of the legend spreads. But what really happened in that snow-covered field almost two decades ago, when the girl's naked, frozen body was found? Why did young Mitch Newquist disappear the day after the shocking discovery, leaving behind his distraught girlfriend, Abby Reynolds, and their best friend, Rex Shellenberger? Now Mitch has returned to Small Plains, reigniting simmering tensions and awakening secrets. Never having resolved her feelings for Mitch, Abby is determined to uncover the startling truth about his departure. The three former friends must confront the ever-unfolding consequences of the night that forever changed their lives—and the life of their small town. Praise for The Virgin of Small Plains "Nancy Pickard . . . has evolved into a writer of substantial literary power. . . . [She] has fashioned a novel that accurately reflects the secrets and silences locked deep within the hearts of all small-town Midwesterners."—The Denver Post "Tantalizing . . . Pickard writes with insight and compassion about an unresolved crime that continues to haunt a farming community."—The New York Times Book Review "A class act . . . Pickard has a talent for adding depth to a story that conveys a sense of place and history."—Orlando Sentinel "Crisply written, this new novel about loss of faith, trust, and innocence is utterly absorbing."—Tucson Citizen

Download Ebook Samsung Scs 26uc4 User Guide

As a final installment in a military career wrought with horrid events, Jess is sent to rescue a Braugh warrior and his men from prison. All she wants is to be safely on her home planet to forget her throwback status and find a normal existence. The warrior's intimidating size and raw strength contrast with his tender nature, skillful lips and gentle touch, awakening sexual urges she thought had been stripped away years prior. Shane knows the piercings adorning Jess' body once created pain and taught her to suppress arousal and desire. And he knows what's needed to take her beyond the torture. But providing a sexual release may prove easier than convincing her something stronger lies between them. All he needs to claim his angel, in every way, is her consent.

From the irresistibly droll mind of Jim Knipfel comes These Children Who Come at You with Knives, and Other Fairy Tales, a series of twisted fables that echo with pinpoint acuity. A masterful storyteller whose memoirs and novels have earned him widespread acclaim, this is Knipfel's first foray into the short story, and he delivers in spades: this wickedly dark satire on the notion of happily ever after turns the traditional fairy tale on its head. Among the array of lonely losers wallowing in discontent, the enterprising reader of this volume may meet a talking chicken who learns the world has little patience for intelligence, a foul-mouthed gnome set on world domination, and a magical snowman wrestling with the horror of being alive. In These Children Who Come at You with Knives, Knipfel's singular and brilliantly funny mind reinvents the bedtime story and offers up a wildly entertaining meditation on the perils of human nature.

Holly Cathers' world shatters when her parents are killed in a terrible accident. Wrenched from her home in San Francisco, she is sent to Seattle to live with her relatives, Aunt Marie-Claire and her twin cousins, Amanda and Nicole. But as she struggles to settle into her new home, Holly's sorrow and grief soon gives way to bewilderment at the strange incidents going on around her. Such as how any wish she whispers to her cat seems to come true. Or the way a friend is injured after a freak attack from a vicious falcon. And then there's the undeniable, magnetic attraction to a boy Holly barely knows... Holly and her cousins, Amanda and Nicole, are about to be drawn into family feud spanning generations. And as they uncover a dark legacy of witches, secrets, and alliances, where ancient magic yields dangerous results, the girls learn of a shared destiny that is beyond their wildest imaginations...

In this "captivating saga" of the post-Reconstruction era, a black female journalist blazes her own trail—"unforgettable; gripping; an instant classic" (Eile). Ivoe Williams, the precocious daughter of a Muslim cook and a metalsmith from central-east Texas, discovers a lifelong obsession with journalism when she steals a newspaper from her mother's white employer. Living in the segregated quarter of Little Tunis, Ivoe immerses herself in the printed word until she earns a scholarship to the prestigious Willetson Collegiate in Austin. Finally fleeing the Jim Crow South to settle in Kansas City, Ivoe and Ona, her former teacher and present lover, start the first female-run African American newspaper, Jam On the Vine. In the throes of the Red Summer—the 1919 outbreak of lynchings and race riots across the Midwest—Ivoe risks her freedom and her life to call attention to the atrocities of the American prison system. Inspired by the legacy of trailblazing black women like Ida B. Wells and Charlotta Bass, LaShonda Katrice Barnett's Jam On the Vine is both an epic vision of the hardships that defined an era and "an ode to activism, writ[ten] with a scholar's eye and a poet's soul" (Tayari Jones, O The Oprah Magazine).
