felons can reminisce about old court cases, dispense a little jailhouse justice, and contemplate where their lives went wrong. Or they can use their time in prison to get very rich—very fast. And so they sit, sprawled in the prison library, furiously writing letters, fine-tuning a wickedly brilliant extortion scam—while events outside their prison walls begin to erupt. A bizarre presidential election is holding the nation in its grips, and a powerful government figure is pulling some very hidden strings. For the Brethren, the timing couldn't be better. Because they've just found the perfect victim. **BONUS:** This edition includes an excerpt from John Grisham's *The Litigators*.
