The Last White Rose is a book devoted to the ongoing struggle for Henry VII and Henry VIII to hold the crown for their line. Most people think that once the battle at Bosworth ended, the crown was plucked on Henry's head, he married Elizabeth of York and they united the red and white roses for everlasting peace.

The Last White Rose Contrary to popular belief, the Wars of the Roses did not end in 1485 at the Battle of Bosworth. While the country reeled from the unexpected defeat of Richard III, Henry Tudor attempted to unify the two rival branches of the House of Plantagenet by marrying Elizabeth of York, intending to nullify the threat of the White Rose while silencing doubts regarding the Tudor claim.

White Rose, German anti-Nazi group formed in Munich in 1942. The members of the White Rose used leaflets to advocate nonviolent resistance to the Nazis and proposed that "every nation deserves the government that it endures." Among the group's most prominent members were the siblings Hans and Sophie Scholl.

~~White Rose | History, Members, & Leaflets | Britannica~~

The White Rose was a non-violent, intellectual resistance group in the Third Reich led by a group of students including Hans and Sophie Scholl. They attended the University of Munich. The group conducted an anonymous leaflet and graffiti campaign that called for active opposition to the Nazi regime. Their activities started in Munich on 27 June 1942, and ended with the arrest of the core group by the Gestapo on 18 February 1943. They, as well as other members and supporters of the group who carr

Henry VIII was pathologically suspicious and saw conspiracies in every shadow, and the cream of England's aristocracy paid the price. The story of the descendants of the White Rose adds yet another black mark against the first two Tudors, as if they needed more. A fresh look at a well-worn field of study, appropriate for general readers.

However, in this engrossing account, Desmond Seward reveals how the war against the White Rose continued in secret, seeding insecurity, fear and even paranoia behind the Tudor facade of stability, magnificence and power. Despite the apparent security of his regime, with the current White Rose firmly under lock and key, Henry did not feel safe.

One of the most dramatic periods of British history, the Wars of the Roses didn't end at the Battle of Bosworth in 1485. Despite the death of Richard III and Henry VII's victory, it continued underground into the following century with plots, pretenders and subterfuge by the ousted white rose faction. In a brand new interpretation of this turning point in history, well known historian Desmond Seward reviews the story of the Tudors' seizure of the throne and shows that for many years they were far from secure. He challenges the way we look at the reigns of Henry VII and Henry VIII, explaining why there were so many Yorkist pretenders and conspiracies, and why the new dynasty had such difficulty establishing itself. King Richard's nephews, the Earl of Warwick and the little known de la Pole brothers, all had support of enemies overseas, while England was split when the lowly Perkin Warbeck skilfully impersonated one of the princes in the tower in order to claim the right to the throne. Warwick's surviving sister Margaret also became the focus of hopes that the White Rose would be reborn. The book also offers a new perspective on why Henry VIII, constantly threatened by treachery, real or imagined, and desperate to secure his power with a male heir, became a tyrant.

New York Times bestselling author Alison Weir explores the life of Henry VIII's mother, Elizabeth, the first queen of the Tudor dynasty, in this stunning historical novel. Elizabeth of York is the oldest daughter of King Edward IV. Flame-haired, beautiful, and sweet-natured, she is adored by her family; yet her life is suddenly disrupted when her beloved father dies in the prime of life. Her uncle, the

## File Type PDF The Last White Rose The Secret Wars Of The Tudors

notorious Richard III, takes advantage of King Edward's death to grab the throne and imprison Elizabeth's two younger brothers, the rightful royal heirs. Forever afterwards known as the princes in the tower, the boys are never seen again. On the heels of this tragedy, Elizabeth is subjected to Richard's overtures to make her his wife, further legitimizing his claim to the throne. King Richard has murdered her brothers, yet she is obliged to accept his proposal. As if in a fairy tale, Elizabeth is saved by Henry Tudor, who challenges Richard and kills him in the legendary Battle of Bosworth Field. In recognition of his victory, Henry becomes king and asks Elizabeth to be his wife, the first queen of the Tudor line. The marriage is happy and fruitful, not only uniting the warring houses of Lancaster and York--the red and white roses--but resulting in four surviving children, one of whom, Henry VIII, will rule the country for the next thirty-six years. As in her popular Six Tudor Queens series, Alison Weir captures the personality of one of Britain's most important monarchs, conveying Elizabeth of York's dramatic life in a novel that is all the richer because of its firm basis in history.

The hardcover version of this book can be bought here: [Powells.com](#) [Amazon.com](#) Richard IV: The Last White Rose is a masterpiece of historical fiction. Near the end of the fifteenth century, Richard Plantagenet - one of the two young princes rumoured-to-be murdered in the Tower of London by their uncle, Richard III re-emerged as a stunningly handsome young man seeking arms and monies to usurp the crown from the now King Henry VII, who referred to the would-be royal as "the Perkin Warbeck." Heir or pretender to the throne? There has been much scholarly debate around this question, but it remains a mystery. Richard IV presents one plausible identity to this fascinating historical figure. The climatic and compelling ending is not only surprising but also heart-rending, as it explores the feelings of those within his wide public sphere of influence as well as his intimate relationships. While maintaining the people, places, and events of history - the Battle of Bosworth, the War of the Roses, Richard Plantagenet's arranged marriage to Katherine Gordon (cousin of Scotland's James IV) - some have been conjured by the author within a tapestry of beautiful prose, rich dialogue, and plot twists that enhance the breadth of the depiction of Richard Plantagenet-Perkin Warbeck's life, as well as offering insight into the life in general in England and Europe in the late 1400s. Whether it's the tragic separation from his close companion, Alphonse, or his encounter with Shielogue, the witch with the royal past, Richard IV engrosses the reader in a world of hardship, war, brutality, joviality, profound friendship, and love - all intertwined.

Tells the story of Sophie Scholl, a young German college student who challenges the Nazi regime during World War II as part of the White Rose, a non-violent resistance group.

She is the last hope of good in the war against the evil sorceress known as the Lady. From a secret base on the Plains of Fear, where even the Lady hesitates to go, the Black Company, once in service to the Lady, now fights to bring victory to the White Rose. But now an even greater evil threatens the world. All the great battles that have gone before will seem a skirmishes when the Dominator rises from the grave. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Can a common girl save a prince trapped in the Tower of London? April. England. 1483. The king is dead. Long live the king. Nell Gould is the daughter of the royal butcher, a commoner, but she has been raised as the playmate of King Edward and Queen Elizabeth's royal children: Princess Cecily, Princess Bess, Prince Dickon, and Prince Ned, heir apparent and Nell's best and closest friend. They think alike, her and Ned, preferring books and jousts to finery and gossip and the sparkle of the court. But when King Edward dies, Prince Ned is imprisoned in the Tower of London by his scheming uncle, the evil Richard III--and Nell with him. Can they escape? Is Nell the key? Based on the real royal scandal of the Princes in the Tower, Daughter of the White Rose covers a shocking episode in medieval history that has captured the imagination for 530 years. A story of murder, betrayal, resilience, and growing up, this girl-

led medieval middle-grade novel will make a perfect companion to Catherine, Called Birdy and The Mad Wolf's Daughter. A Junior Library Guild Gold Standard Selection!

The New York Times bestselling sequel to Amy Ewing's debut, *The Jewel*, which BCCB said "will have fans of Oliver's *Delirium*, Cass's *The Selection*, and DeStefano's *Wither* breathless." Violet is on the run—away from the Jewel, away from a lifetime of servitude, away from the Duchess of the Lake, who bought her at auction. With Ash and Raven traveling with her, Violet will need all of her powers to get her friends, and herself, out of the Jewel alive. But no matter how far Violet runs, she can't escape the rebellion brewing just beneath the Jewel's glittering surface, and her role in it. Violet must decide if she is strong enough to rise against the Jewel and everything she has ever known.

Depicts the activities and dedication of the young Munich University students who were executed for printing pamphlets attacking Nazi rule

The dramatic, disturbing story of the small group of university students who dared to distribute leaflets condemning Hitler and his policies. Several paid with their lives. It's also an inspiring story of the profound effect young people can create on a nation's history by taking action based on their fervent beliefs.
