Diva Moreira, a Brazilian, writes that she experienced racism and humiliation at a very young age. The worst experience, she remembers, was her mother's bosses' conviction that Diva didn't need to go to school after the fourth grade, "because blacks don't need to study more than that."

Alba Reborn is the story of a Celtic girl and boy, Soillse and Firinn, in first century Scotland or Alba. He is destined to become high king of the Isle of Skye and she a renown healer. Book One is the tale of their growing years: both drawn to the druid, Coillore, and his teachings about the realms of light of the Otherworld. On a hidden path of love, Coillore shows them how ancient fears from their fall from heaven are creating the sufferings in their lives, how to heal these, and achieve their highest dreams. Every reader can do the same. Contained in Coillore's

lessons are the planes of the cosmic Diamond Core, the seventh heaven and its consciousness of enlightenment. The regents of the Celtic pantheon and the hidden streams of Celtic cosmology are explained in rich detail, the result of twenty-five years of painstaking meditation and research by the author. This book is a call to the people of Alba to raise the standard of love and renew their ancient spiritual traditions. But it is equally a call to all people on earth to move through the transformation process illustrated in the lives of Firinn and Soillse, to heal all inner fear, and thus create heaven on earth. Dr. Frew is a clinical psychologist and energy healer, whose love of Alba and Celtic tradition has taken her on a lifelong journey of discovery. Through inner druid guides and years of meditation, she has unearthed information she was unable to find in an exhaustive search for answers in the outside world. She believes these teachings to be accurate, and

they have radically opened her awareness to the constant love of God/Goddess and the spirit world. In the future, Dr. Frew envisions building a spiritual community in Alba that embodies these teachings, and she hopes every person on earth comes to know the exquisite tenderness of the One Beloveds."
